Program

Welcome back everyone! Time to get back into the swing of a new Guild year. Our speaker for the September meeting is Johanna Masko, quilt artist, designer and teacher. Her talk is called "All About Scraps" and is accompanied by a slideshow presentation, followed by show and tell with quilts.

Be prepared to hear about where our scraps are coming from, sorting and managing our scraps, different approaches to the idea of "scrappiness" related to quilts old and new and ideas for using our scraps.

Johanna also designs a line of patterns which will be available for sale. For a sneak peak, see Johanna's blog, <http://seamslikely.blogspot.ca/>
See you on the 11th!

President's Message

Welcome back everyone! After such a beautiful, hot summer in which I achieved a few quilting tasks, I am really looking forward to this year's line-up of great speakers and other guild projects. I am also happily anticipating the energy and inspiration that our members share with one another.

This summer my husband and I have been in the Rideau Lakes vicinity as well as the Kingston and Ottawa areas and on our journeys, I am always taking note of the shades of green, the flowers that add a punch of colour to the gardens we pass and, of course, the incredible colours of the sky in the early morning and at sunset. Just like any quilter, I try to store some of these marvellous combinations in my mind for further reference. Hopefully you too have a treasure trove of images to stir your creative juices this year.

As your new president, I and your new slate of Executive members and their committees, will be working hard to make this year as interesting and rewarding as we can. We hope that you will participate and enjoy the opportunities that this guild offers.

Nancy Wells, President

Quilter's Recipes

Cooking cuts into valuable quilting time. Here are some 'Quilter's Recipes' I found while surfing around. One with meat and one without. Bon appetite!

HEAT oven to 350°F

- 4 lb. bone-in chicken pieces (breast halves and/or thighs)

- 1 bottle (8 oz.) KRAFT Classic CATALINA Dressing

Community Outreach

We are looking forward to another busy year of sewing, quilting and binding on behalf of the Sexual Assault Unit at the Guelph General Hospital. In other years we have donated about 50 - 60 quilts and we hope to do the same this year. Block kits will be available each month to take home for homework. We will also be selling very fat eighths (10" x 21") 50¢ each or 3 for \$1.00 every month. This month will be fall colours.

Mark your calendars for Bee Day on Nov. 3rd. We will be looking for volunteers to do sewing, quilting and binding. Many hands make light work! Looking forward to lots of fun and friendship.

Linda and Sue, Community Outreach

Membership

Just a reminder it is time to renew your membership. The fee this year is \$40.

We'll be waiting in the library area to sign you up for another wonderful year of quilting! The winner of the June membership draw was MadeleineParolin and Florence Lonsdale won the free workshop.

Horoscopes

Virgo

August 24 to September 22—Virgo is meticulous and fussy when it comes to patchwork and quilting. They never rush any project but pay scrupulous attention to every detail from cutting, to piecing, to quilting. The downside to their fastidiousness is that they always notice mistakes in other quilter's creations no matter how minor. If you want to know the exact amount of fabric required for any size quilt, ask a Virgo. They have an uncanny knack for making such calculations. Virgos tend to take up quilting at a younger age than other women. They don't have a problem balancing their lives and making time for career, partner, children and quilting.

NEXT EXECUTIVE MEETING

The next meeting of the RCQG Executive will be held Monday, September 17, 2012, at the Co-operators Building on Macdonnell Street. We start promptly at 7:00 pm and finish at 9:30. Please review your minutes prior to the meeting.

Library

Welcome back to the library. Hope everyone has had a wonderful summer and enjoyed some of the very warm weather we were blessed with. This year is going to be an adventure full of new books and a revisit with some of our tried and true old favorites. We are going to have our usual draws generating funds for the purchase of new books. There will of course be the book and bake sale at our December meeting.

The library will still be collecting your Zehrs tapes (Community Outreach will be using the dollars accumulated to help offset their expenses) so please drop them off at the sign-out table.

The good news is that our late fees have not gone up. It will still be one dollar per book, per month. If you have discovered any new material that you have been inspired by, let us know. Perhaps we can buy them to add to our inventory. If you have done any purging over the summer months we would be happy to take any donations.

Come visit us before the meeting begins and during the break in the lower area of the church. Our committee is here to help with your quilting experience.

Library Co-chairs

Book Review

SCRAPPY FIREWORKS QUILTS

By Edyta Sitar (for Laundry Basket Quilts)

I have to say that the cover caught my eye first. The picture of the Flea Market Treasure Quilt is truly stunning. I had to have a further look. Inside you will find instructions for 8-pointed stars, binding, fusible appliqué, half square triangles and strip panels. In fact the cover boasts that these techniques are indeed inside. They are in full colour and easy to read and follow. The patterns are gorgeous and would translate into reproduction or any fabric line of your choosing. With titles like Swan Lake, Blueberry Farm, Cobblestones or Ice Cream Sandwiches you will just have to start picking a favorite. Edyta herself not only designed the quilts but she also designs fabrics for Moda. This is an excellent book to either read while you sip your favorite beverage or pick a pattern and have a road trip buying the fabric. Most definitely a win, win scenario.

Workshops

The workshop committee is confirming dates for some fun filled workshops for the coming year. To date we have Debbie Biernes booked January 19, 2013 for a Pieced workshop (to chase away those January blues) and Dianne Bergmann who will be sharing her talents for a Landscape workshop. Additional information is forthcoming and we will include them in future newsletters.

RaNae Merrill Quilt Design

Complications have been resolved. Please set aside October 12th for a great lecture. We also have a few spaces available for the workshop, Magnificent Spiral Mandala Quilts, October 13th cost is \$60.00. See me at general meeting September 11, 2012.
