Guild Meeting,

Tuesday, April 9, 2019

Three Willows United Church, 577 Willow Rd., Guelph

Program

Marilyn Farquhar

Marilyn will be presenting a trunk show of both her modern and contemporary quilts. Marilyn focuses her quilting on continuing to learn and expand her knowledge—she gives herself challenges with each quilt. Marilyn includes lots of dense quilting in her quilts—there are lots of surprises to find.

In addition to a trunk show, Marilyn will also give a demonstration by projection of how she utilizes a drawing app to design her original quilts, plus, create original machine quilting designs. Come learn what is possible when you add a bit of technology to your quilting. Something you think will be complex, is so easy.

Marilyn will also be teaching two different workshops with those members and non-members who have registered later in April. Saturday April 20th is Technology in Quilting-What Fun! and Saturday April 27th is Create Your Own Fantasy Flower. See page 5 for workshop details and prices

You can find Marilyn Farquhar's website on Facebook if desired.

President's Message

Where has the time gone? It's hard to believe that April is just around the corner. I certainly hope that Mother Nature isn't throwing us a lion on March 31 to say that winter is not quite done. I certainly cherish the month of April when the growing season begins, and the trees and flowers start to open. I enjoy hearing the birds singing in the early morning hours and I hope to be sitting outside again soon.

Congratulations to Anne Peters and her quilt for winning the vote as the Royal City Quilters' Guild representative in the 2019 CQA Guild Member Challenge - Quilting Goes Viral. Good luck Anne at the next level. (See page 13)

The March UFO number drawn was #5. Each participant is to bring their completed UFO #5 to the April meeting to show and share with the guild. If you are unable to attend the meeting, please provide me with a picture of your completed challenge at bellmonica972@gmail.com Be sure to include your name and the UFO# with your picture.

Later in April, I look forward to attending the Annual Volunteer Appreciation Brunch hosted by the Rotary Club of Guelph South along with some other members of our Guild. See News Flash article below for more details.

Scott Schau, our Vice President, will be leading our April guild meeting as I will be away on business. Thank you and hope you all enjoy the program.

News Flash

The Rotary Club of Guelph South Signs Up for an ADDITIONAL 3-Year Funding Support of Community Outreach's COMFORT QUILT Program!!

In 2017, the Rotary Club of Guelph South provided us with a generous donation of \$2250. This enabled the Guild's Community Outreach Team to purchase 6 plus rolls of batting which supported the creation of 200 Comfort Quilts (and in record time) for the Wellington County Sexual Assault and Domestic Violence Care and Treatment Centre. This was Amazing!

Now, after considering our latest funding request, the Rotary Club of Guelph South has agreed to provide us \$4500 over a 3-year period (2019 – 2021). Even with rising costs on batting, we are hoping to be able to support the further creation of at least 360 Comfort Quilts. This is Phenomenal!

This year's funding will be presented in two parts: a cheque at the upcoming Volunteer Appreciation Brunch in April and a cheque presentation at a Rotary meeting in May.

We are truly blessed. The Community Outreach Team thanks each and every Guild member for their incredible contributions of time, materials and talents. Your support for the Comfort Quilt program, over the past years, made this latest application a breeze to write because we've proven that we can and do make good on our promises!

Let's celebrate, and contemplate a future, in which, the need for these types of comfort quilts is much reduced.

Cheryl Cowan

Community Outreach

By the time you read this newsletter report Katrina and Dayna will have brought a further 44 quilts to the Wellington County Sexual Assault and Domestic Violence Care and Treatment Centre. This brings our total number of quilts donated this year to 85. We are well on the way to meeting and surpassing our goal of 100 quilts. Yeah us, and Yeah you. I may sound like a broken record, but we really do appreciate all the work you do for us on a monthly and yearly basis.

This month I would like to highlight two members who quietly work away on our behalf going above and beyond. The first is Vicki Gobbi who takes home three quilts a month every time she attends a guild meeting. Vicki brings them back to us the following month quilted and bound. Last month, Vicki was not at the meeting but that didn't stop her. Vicki contacted me at home and arranged to pick up three quilts to work on this month. Donna Reimer also works tirelessly donating two or three completed quilts each month and some months helping us to quilt some of the quilts worked on by others. Her cheerful quilts always are a delight to receive. We say thank you to these two super volunteers and to all the rest of you who support our program in whatever way you are able.

The book I'm showcasing this month is called **BOLD BATIK QUILTS** by Heidi Pridemore. This book contains six projects all shown in lovely batiks but of course can be made in any fabric choices. Directions for most of them are shown in lap sizes so perfect for Community Outreach quilts.

Also remember to visit the sale table where this month there will be a number of applique books available.

Drop by and see what your library has for you.

Our membership fee will remain at \$40 for the coming year. As we have in the past, we will begin taking renewals for the coming year in June. If someone you refer to us joins between now and June - and names you as the person who referred them to us - you will receive an extra entry for the drawings.

I will bring yellow name tags to our coming meetings. I hope you'll bring new members to wear them.

If you have any membership questions please send your email to membership@royalcityquiltersguild.ca
See you at the meeting.

Block of the Month for April

This month's block is called **Perkiomen Valley**. The Perkiomen valley block dates back to the late 1800's. This is truly a stash buster block. When choosing your fabrics please use scrappy blues and scrappy whites. Please use your own stash for this block.

Fabric needed:

From scrappy blues cut four 4 ½ inch squares and one 5 ½ inch square.

From scrappy whites cut three 4 ½ inch squares and one 5 ½ inch square.

Construction:

Make two half square triangles with the blue and white 5 ½ inch squares. (Place the 5 ½ inch blue square and the 5 ½ inch white square right sides together and mark the diagonal on the back of the white square. Sew a scant ¼ inch on either side of the line. Cut in half along the drawn diagonal line. Press seams to one side and square up to 4 ½ inches. Produces two half square triangles)

Assemble the block as per the picture below.

Final block is 12 ½ inches square.

We love the fresh blue and white colour of these blocks.

Happy Sewing!

Katrina Baklarz

Block of Month Submissions

We appreciate your support in sewing up our Block of the Month patterns and hope that you enjoy our monthly offerings. Suggestions for future patterns are always welcome!

Many of our fabric kit offerings are cut from donated fabrics – some of which are 'unique' and in limited quantities. In order to make up the final quilt top kits, we depend on the timely return of all completed blocks.

We'd like to encourage you to return the finished blocks at the next possible Guild meeting.

However, if circumstance prevents this please send a quick note to let us know when we can expect delivery of the kit (sewn or not).

Happy Stitching!

Winner at the Jekyll Island Juried Art Show

Guild member, Lynda Nuys, sent an email to the Newsletter Editor: 'I just thought that I would let everyone know that I have won a 1st prize ribbon Intermediate Quilting Category, in the Jekyll Island Juried Art Show on Jekyll Island in Georgia. Our entries were judged by a panel from the University of Valdosta, Georgia Art Department. I showed the queen sized quilted titled 'Beyond Doilies' at the December Show and Share portion of our meeting.'

NL Editor Question: How did you decide to enter this show?

Lynda N Answer: I had joined the association when my husband retired, and we were staying on the island for the winter. I decided to try my hand at a watercolour painting class. The second year there, a friend and I said to each other, "if you enter a painting, I'll enter a painting". Well, if we didn't both win a ribbon in our chosen categories. The next year (2016) I entered

my first quilt and it got an honourable mention. This year was my second attempt. That's how it started. Just take the first step.

NL Editor Question: Is there a website for this show if our guild members are interested in finding out more?

Lynda N Answer: This is the 45th Festival. Almost any type of art you can think of is in the show. Over 440 items this year. The webpage for the Jekyll Island Art Association is: www.jekyllartists.com

Entry Deadline is April 15, 2019
