Please pay the workshop fee at time of registration.

#### **Embellished Wool Sampler**

Saturday November 17, 2018 - \$35, 9:30am – 3:30pm

Instructor: Sharon Fisher

This is a hand stitching workshop. Join Sharon as she guides you through the creation of an Embellished Wool Sampler while learning many stitches and knots. There is an optional kit available from Sharon for \$10, or you can provide your own materials as per the supply list.

#### **Thread Painting**

Saturday January 26, 2019 - \$25, 9:30am – 3:30pm

Instructor: Brenda Dagg

Would you like to learn to thread paint to enhance your quilted works, to add texture to a quilt, to add small details, or to create a picture? You will learn how to use the straight stitch and the zigzag stitch on your machine to create various shapes, scribble and draw, and blend colours to create a small thread-painted piece of art. Kit fee of \$6 for various stabilizers payable to Brenda.

#### **Technology in Quilting – What Fun!!!**

Saturday April 20, 2019 - \$50, 9:30am – 3:30pm

Instructor: Marilyn Farquhar

If you are you interested in creating your own patterns to make one-of--a kind quilts and/or unique patterns for quilting on a longarm, then this workshop is for you. Marilyn, who is well-known in the quilting industry for her creativity, will lead you through the process using your iPad. This workshop requires an iPad, Apple Pencil and Graphic App (available from the App Store).

#### **Create Your Own Fantasy Flower**

Saturday April 27, 2019 - \$50, 9:30am – 3:30pm

Instructor: Marilyn Farquhar

In this workshop you will be encouraged to have fun as you create your version of the Fantasy Flower quilt using fabrics that are bold, graphic, polka dot, black and white, geometrics, large florals etc.—give yourself lots of choice without worrying about matching. Marilyn will demonstrate hand applique as this is her preferred method to create her bold, beautiful, modern quilt, however, you are welcome to use whatever applique method you prefer. Marilyn describes her workshop as a playful way of creating—don't take it too seriously and no matchy- match of fabrics. Pattern is provided or if you took the Quilting in Technology workshop you can use a pattern you created.

## **Double Disappearing 9 Patch Variations**

Saturday May 25, 2019 - \$70, 9:30am – 3:30pm

Instructor: Bill Stearman

In the morning, Bill will present examples of four Double Disappearing 9 Patch block variations -Traditional, Transitioning to Modern, Modern and Improv. Participants will learn how to construct the block and receive useful tips. These sample blocks will be suitable for use as a cushion cover (14” square). In the afternoon, participants will continue working on the four block variations, with a particular focus on the Improv variation. The workshop fee includes all fabric for construction of four sample blocks, handouts and a colour pattern.
