

International Quilting Day 2022

Saturday, March 19

Vendor Showcase

9:15 to 9:45 a.m.

Hyggeligt Fabrics

Canada's Kaffe Fassett Collective largest supplier. Books, buttons, bags... New and something completely different: the Dutch Heritage Collection from Petra Prins of the Netherlands. Also, "What the Hexie": Custom and standard acrylic, paper shapes and templates, paper piecing supplies, etc. We are now experimenting with cutting fusible backed fabrics with the laser! What fun!

9:45 to 10:15 a.m.

Meerkat Trading

Céleste Compion will present a brief, Reader's Digest version of the fascinating story of Shweshwe, the heritage cotton fabric made in South Africa using production methods dating to the industrial revolution. She will also demonstrate how to make an Ort Box - a nifty thread catcher to add to your mobile stitching kit.

12:15 to 12:45 p.m.

Watergirl Quilt Co.

Would you like to consistently sew super-straight lines and precise seams? And never have to pin again? How about pressing those accurate seams to lay flat without using starch? Would you like to improve your cutting and piecing accuracy with little effort? Join Michelle for a demonstration of the Acorn Easy Press and Seam Align Glue for precision piecing and tackle all those issues at once. This Canadian product is a game changer!

2:45 to 3:15 p.m.

Sew Fancy Inc. - 1 - Sashiko

Looking for a relaxing, portable hand-stitching technique which can be carried with you as it uses no hoop and minimal supplies, that can be used in many ways and creates something beautiful every time? Well, learning the Japanese Sashiko technique fits these requirements. With a few simple rules and supplies that make it easier to stitch, you will soon be enjoying this technique. Use it on quilts, garments, table runners, pillows and so much more. Warning: it can be very addictive!

3:15 to 3:45 p.m.

Sew Fancy Inc. - 2 - Locker Hooking

Learn how to use those leftover strips of fabric to create a beautiful rug, mat or pillow to coordinate with your quilt. Working on rug canvas, these strips are locked into place using a special needle and some twine. The products you create are washable and durable (as long as you use washable fabric). Relaxing and easy to do, the items that you create can be simple or complex, but the technique is quite easy.
