

**Make at least two 4-Patch Blocks, for Blocks #1 and #2**

Using the 6 ¼" X 6 ¼" squares of background and primary fabric. Make two 4-Patch blocks as shown here.

**Make at least two Hourglass blocks, for Blocks #3 and #4.**

**Block #3.**

Arrange four 6 ¼" Half Square Triangle Blocks into an Hourglass Block and sew together.

For a Multicolor block be sure that the center touching triangles are *different colors*.

**Block #4.**

Arrange four 6 ¼" Half Square Triangle Blocks into an Hourglass Block and sew together.

For a Multicolor block be sure that the center touching triangles are the *same color*.

**Make at least two Pinwheel blocks, for Blocks #5 and #6.**

Arrange the remaining (8) 6 ¼" Half Square Triangle Blocks into two Pinwheel Block and sew together as shown to the right.

**Make two 9-Patch blocks for Blocks #7 and #9:**

**Block # 7:**

Use (4) 4 ¼" X 4 ¼" squares of light fabric and (5) 4 ¼" X 4 ¼" squares of dark fabric to make a 9-patch block like the one shown to the right.

**Block # 9:**

Use (4) 3 ¼" X 3 ¼" squares of light fabric and (5) 3 ¼" X 3 ¼" squares of dark fabric to make a 9-patch block like the one shown to the right.

*It will be smaller than the 9 patch in Block #7.*

**Make Shoo Fly Block for Block #8:**

Use (4) 4 ¼" X 4 ¼" Half Square Triangle blocks, (1) 4 ¼" X 4 ¼" square of dark fabric, and (4) 4 ¼" X 4 ¼" squares of light fabric to make a Shoo Fly Block as shown to the right.

Because you are making this in your own home, you should have all the normal other supplies like matching or neutral thread, scissors, rotary cutter, mat, rulers, seam ripper, pins, iron, etc. already on hand. It will help if you can set your computer/tablet near your sewing machine.

**OPTIONAL:** I will be showing you how to make additional disappearing blocks so you may want to make extra Pinwheel and/or Hourglass blocks to use in the class.
